Low and High Challenge Courses

Low Challenge Course

Low COPE works on many team building skills through initiative games and course challenges!

Group sizes of 10 and up - Ages 13 and older

C.O.P.E. is the challenge course program of the Boy Scouts of America. It is a series of physical and mental challenges facilitated by trained staff directed at enhancing personal growth. The recognized goals of the program are:

- Leadership
- Planning
- Self-Confidence
- Communication
- Trust
- Problem Solving
- Decision Making
- Teamwork
- (Oh yes, and Fun!)

What types of groups might benefit from C.O.P.E.?

- | | |
|------------------|-------------------|
| Colleges | Scouts BSA Troops |
| Law Enforcement | Church Groups |
| Fire Departments | Youth Groups |
| Small Businesses | School Systems |
| Corporations | Sports Teams |

Your challenge course experience is led by BSA trained and qualified staff members. How can your group benefit from this experience?

Youth & Adult Groups:

- Confidence, Leadership and Trust Building
- Teamwork Skills, Communication, Decision Making
- FUN!

Business and Professional Groups:

- Associate development through Team & Relationship Building, Communication, Problem Solving Skills, and Confidence.
- FUN!

High Challenge Course

Our 10 element high COPE course safely challenges participants to the next level of self-confidence and fun!

Group sizes of 10 and up - Ages is 13 and older
