

# Scouts BSA SUMMER CAMP

## Why Choose Camp Birch?

### #1 Youth Programs

Experience the adventure of a lifetime where everyday is an opportunity for personal growth, skill-building, and unforgettable memories. Our dynamic camp program offers a wide range of activities: Tecumseh Island (first year camper program), MRT (Mad River Trace - frontiersman program), High-energy outdoor challenges like COPE, climbing, canoeing, and Cowboy action shooting to merit badge courses that ignite curiosity and foster leadership.

Camp Birch offers a safe environment for Scouts of all ages.

### #2 Adult Leader Development

Adult leaders gain more than just the skills to support their Scouts. They develop the tools to become stronger mentors, role models, and leaders themselves. Through hands-on experiences, training sessions, and collaboration with other leaders, participants strengthen their leadership abilities while learning new methods to engage and inspire youth.

Adult leaders can sign-up for: Lifeguard Training, Mad River Trace, attend training or participate in the Scoutmaster Merit Honor.

### #3 Customer Focus

Camp Hugh Birch prides itself on having a dedicated and customer-focused staff that is committed to creating an exceptional experience for every unit and every camper.

Our staff goes above and beyond to ensure a safe, welcoming, and engaging environment, tailored to meet the unique needs and interests of each participant. The staff provides personalized attention, adapting activities for different levels, or offering support and encouragement, our staff strives to make every camper feel valued and empowered.

### #4 New Programming

We are making a few changes this year to our dynamic program. We are adding a Skill Trades Craft area that will focus on strong work ethic, apprenticeship, and being a hard work hero. We are introducing areas for Auto Maintenance, Electricity, Farm Mechanics, Home Repairs, Plumbing, and Welding.

We have made some changes to schedules to increase efficiency for the program, time for travel, and overall quality of experience. Our goal is to increase opportunities for fun through the traditions of a game with a purpose.
