Mad River Trace

at Scouts BSA Summer Camp at Camp Birch

This immersive, historically themed program takes participants back to what life would have been like in the Miami Valley during the 1800s. This is an opportunity for mature Scouts and adults to learn about the history of the region, complete projects and develop your skills as you work your way up in The Company. Inspire new and returning members to learn traditional skills, while building friendships and fond memories of your time with The Trace.

Open to Scouts First Class rank and up and adult leaders. The cost is \$45 per participant, and you can preregister online when registering for Summer Camp.
